# Home Software

CATALOG

**mecc**  
For the love of learning.

Let me introduce you to the 1991 edition of the MECC Home Software Catalog.

From *Super Munchers*—the newest and most adventurous Muncher yet—to *The Oregon Trail*—a software classic of epic proportions—this catalog is filled with software for the whole family.

When it comes to software, kids look for fun-filled, action-arcade games. Parents, on the other hand, look for high quality and long-lasting value. You'll find that MECC software meets both kids' and parents' needs. Our products have many levels of difficulty for hours of family entertainment.

I know you'll enjoy browsing through our catalog and seeing all the great products MECC has to offer.

After you've made your selection, call us toll-free at 800/685-MECC or visit your local software store to buy MECC products.

*Dale LaFrenz*

Dale LaFrenz  
President and CEO

P.S. Watch for fun new MECC products available this winter!

# Mondo Amusing!

Parents' Choice Award

## Number Munchers™

Ages 8 - Adult

Learn basic math skills the fun and easy way! Help the Munchers avoid the Troggles as you maneuver through the gameboard, munching on multiples, factors, prime numbers, equalities, and inequalities. If you earn enough points, you'll be sure to enter the Muncher Hall of Fame.

Apple, 64K

Level: 4

Parents' Choice Award

## Word Munchers™

Ages 6 - Adult

Race your Munchers around the gameboard and gobble up words that contain the same vowel sounds. But keep an eye out for the Troggles—they love to eat Munchers! As you chomp words, try to earn a spot in the Muncher Hall of Fame!

## Super Munchers . . . the Challenge Continues™

Ages 8 - Adult

In this new and daring Muncher challenge, our heroes—the Super Munchers—match wits with their most devious nemesis yet: the evil Dr. Frankentroggle. The adventure centers around a trivia contest that could put you in the Hall of Heroes. This chase-game features amazing sound, exciting graphics, and more than 4,000 facts in 130+ categories. Adjustable difficulty levels make for hours of family entertainment and competition for years to come.
